Bells on bob-tails ring, making spirits bright,

They never let poor Rudolph

Play in any reindeer games

I'm telling you why

G **Em** **Am7** **D7** **G**

Santa Claus is coming to town

He's making a list,

Gonna find out who's naughty and nice.

He'll say: "Are you married"?

We'll say: "No man"!

E

But you can do the job

When you're in town

[Verse 3]

Later on we'll conspire

As we dream by the fire

To face unafraid

The plans that we've made

Walking in a winter wonderland

C

Once bitten and twice shy

Am

[**Dm**]

I keep my distance but you still catch my eye

Dm

Tell me baby do you recognize me?

G

Well, it's been a year, it doesn't surprise me

"Merry Christmas!" I wrapped it up and sent it

(whispered)

With a note saying: "I love you!", I meant it

Now I know what a fool I've been

But if you kissed me now, I know you'd fool me again

Crowded room, friends with tired eyes

Hiding from you and your soul of ice

My God, I thought you were someone to rely on

Me? I guess I was a shoulder to cry on

[Verse 4]

C

A face on a lover with a fire in his heart

A man undercover but you tore him apart

Now I've found a real love, you'll never fool me again
